## Summer of Skills Youth Hockey Clinics And Elite Hockey Training

*Featuring*

Two Time National Champion in the NAHL & USHL  
NCAA Division I & 6 Year ECHL Pro Tyler Elbrecht

Clinics Designed for  
*Individual Player Improvement*  
Clinics are open to players of all ages.

During the rigorous winter hockey season, it is very difficult for any player to focus on his or her personal skill development. As in any team sport, most coaches are forced to spend so much time on the improvement of the team and its understanding of the overall game, that the fundamental skills of the individual player are sacrificed.

Tyler Elbrecht's *Summer of Skills Hockey Clinic's*  
are

***THE ANSWER***

for the focus on those individual skills.

*You customize* your summer hockey program to fit *your individual needs*. Over the course of the three days of each skating clinic, students will receive **7.5 hours of On Ice**, and **3 hours of Off Ice Instruction** at Tyler's Elbrecht's Elite Hockey Training Facility located next door to the Ice Rink. We offer **top quality instruction** (7:1 instructor to student ratio), with **reasonable prices** at **convenient times** for the individual player in the following areas:

| Program                                    | Date            | Time            |
